1. Your memorandum requested that an Electronics Engineer be assigned to the Communications and Field Electronics Division of OSA. Through discussions with [REDACTED] it has been determined that this requirement can best be satisfied by the assignment of [REDACTED]

25X1A
2. [REDACTED] is currently engaged in the development of special equipment and engineering support of fixed ELINT stations. He may be freed from this assignment as soon as a replacement is available. Recruitment plans indicate this will occur in approximately ninety (90) days and we intend at that time to assign him to OSA. In the interim period, I anticipate that [REDACTED] may work informally on a time available basis in order to become acquainted with the tasks involved in his new assignment.
